SEVERE WEATHER POLICY

If there is any possibility that severe weather could affect the opening of the nursery then our policy is exactly the same as that of the school.

IF THE SCHOOL IS OPEN OR CLOSED THEN THE NURSERY WILL BE THE SAME.

You can find out by going on to the GCC website and following the links – either:-

www.glosclosedschools.com or www.glosclosedschools.co.uk

You can also tune into BBC Radio Gloucestershire on 104.7FM and 1413MW.

If you keep listening the lists are read (and revised) at regular intervals.

For those that miss all other information, signs will also be placed on the school gates.
